

*New For 2010*

**Long Driver's Camp**  
***Learn To Bomb That Driver!***

Where: Turkey Creek Golf Center 573-636-7833

When: One Session Will Be Offered In April

How Long: Long Driver's Camp Will Run For One Hour Every Friday In April.

5 One Hour Classes For \$75.00.

We spend hundreds of dollars on a new driver with hopes our scores will lower. In this program we will learn the power source in our swings to hit the ball further with an emphasis on keeping that little white ball a little straighter!

I would have to agree with most tour pros that the driver is one of the most important clubs in the bag. Reason being that it is much easier to hit the green when closer in the short stuff. Come on out and let's have some fun!
