Golf Schools, Turkey Creek Golf Center, 2010

Opening 2009

Turkey Creek Golf School is a full service golf academy for group instruction, clinics or “private” lessons for players of every experience level; beginning, intermediate and advanced. Please continue reading to find your perfect place in our full service program!

INTRODUCTION TO GOLF

Individuals recently introduced to the game or casual players who have received little or no formal instruction.

These classes are generally designed for players with some experience; an established handicap or a scoring range between 85 & 99 strokes for 18 holes.

ADVANCED CLASSES

Experienced players—a scoring range below 85 for 18 holes—classes include extended range time, “on course” instruction, scoring strategies, video analysis, ball flight correction and competition.

INTRODUCTION TO GOLF

Three 1 1/2 hour sessions on the BASICS of the game (if you need clubs visit our Pro Shop in advance where we stress the importance of fitting, club design and function).

- Applying golf’s secret “code and alphabet”
- Understanding “target vs object”
- The “Painted Swing”
- Plane & Swing shapes
- Using the “clock” to improve performance
- The Short Swing & Putting

“Alumni” sessions are the perfect opportunity to refresh and refine the techniques covered in the group sessions & help to build the sound practice habits & skills you learned earlier.

Classes will be offered on dates/times

Agreed between students and instructor...

Generally on weekday afternoons or weekends

All for only \$99 per student

*A minimum of five (5) students per class is required. Classes begin any Monday or Friday when the minimum is reached.

INTERMEDIATE GOLF ACADEMY

Three 2 hour sessions to include:

- ◆ Cataloging your ability level & technique to determine steps to follow in making “game changing” improvements.
- ◆ Review golf’s basic learning code & alphabet
- ◆ Take initial swing videos to analyze your full swing, mid-iron & short game
- ◆ Recommend corrections/changes—based on your videos-and analysis of “ball flight” characteristics
- ◆ Error correction of your putting, chipping & short game style
- ◆ Handling trouble shots—uphill, downhill, side hill and awkward lies
- ◆ Your personal DVD
- ◆ Visualization techniques using pictures & imagery to improve performance
- ◆ Only \$159 per student:

4 STUDENT MINIMUM

(*Dates/times for classes ‘tbd’)
